

CABLE MANAGEMENT

Upper Scorelines

The pre-scored upper lines at the base of the ducts provide easy breaking off the ribs as a result of 90 degree bending without using any hand tool.

Lower Scorelines

Lower scorelines at the base enable to remove the whole trunking wall.

Bottom Rails

You can easily mount the accessories on the bottom rails of the duct.

Special Cover Design

The cover design lets you easily assemble and disassemble the cover regardless in whatever position the duct is installed.
